## SECURE

### SECURITY MULLIONS

The ultimate security partner for both 3790 Rim and 3690 Vertical Rod devices, these removable mullions are made from steel-reinforced aluminum. A simple removal system for easy in, easy out convenience and matching anodized finishes make them the right choice for pair-of-doors applications.

Easily cut for a perfect field fit, these mullions come with heavy duty stainless steel strikes and are available in sizes up to 9 feet.

Color matched security clips provide an added level of security overcoming the natural twisting of the door stile under pressure.

*Cast aluminum brackets mount easily and allow simple removal of the mullion for full use of the opening.*

#### DIMENSIONS

- 3 1/2" Thick
- 1" width at door contact point extending 1 5/8" in rear
